SAN FRANCISCO DIVISION

IN RE HP SECURITIES LITIGATION

This Document Relates To: All Actions

Master File No. C-12-5980 CRB

CLASS ACTION

**STIPULATION AND
[PROPOSED] ORDER
REGARDING PAGE LIMITS ON
BRIEFING**

Lead Plaintiff and defendant Hewlett-Packard Company (“HP”) hereby stipulate and agree, by and through their undersigned counsel of record, as follows:

RECITALS

A. This securities class action was commenced on November 26, 2012.

B. On March 4, 2013, this Court appointed PGGM Vermogensbeheer B.V. as Lead Plaintiff. (Doc. 90.)

C. On March 7, 2013 this Court approved PGGM’s selection of Kessler Topaz Meltzer and Check, LLP as sole Lead Counsel. (*See* Doc. 94.)

D. On May 3, 2013 Lead Plaintiff filed the Consolidated Complaint (“Complaint”) in this matter. (Doc. 100). The Complaint asserts claims for violations of the Securities Exchange Act of 1934 against HP and individual defendants Michael R. Lynch, Margaret C. Whitman, Léo Apotheker, Shane V. Robison, Catherine A. Lesjak, Raymond J. Lane, and James T. Murrin. The Complaint contains 241 paragraphs of allegations, and bases claims on numerous statements spanning over a year that are allegedly attributable to HP and/or its current and/or former officers and directors. The Complaint also refers to over 100 documents, including press releases, SEC filings, analyst reports, transcripts of calls, and news articles.

E. Pursuant to the schedule established by the Court's January 4, 2013 Order, Defendants' Motion to Dismiss is due no later than July 2, 2013; Lead Plaintiff's oppositions to the motions to dismiss are due no later than September 2, 2013; and Defendants' reply papers are due no later than October 2, 2013. (*See* Doc. 25.)

F. The Civil Local Rules of this Court provide that memoranda of points and authorities may not exceed 25 pages (L.R. 7-2(b)), and this Court's Standing Order provides that memoranda may not exceed 15 pages.

G. HP submits that, given the scope of the putative class period, the large number of challenged statements, and the legal issues that must be addressed, the ordinarily-governing page limits would prevent HP from adequately setting forth its arguments in support of dismissal.

H. The undersigned parties met and conferred to discuss page limits for the briefing on HP's anticipated Motion to Dismiss and appropriate modifications to the briefing limits in light of the nature and status of this case.

I. Given that this case is a securities class action governed by the Private Securities Litigation Reform Act of 1995, and in light of the length and number of allegations in the Complaint, the complex nature of the causes of action and factual assertions, the number of defendants, and the legal issues anticipated, the undersigned parties believe that it would be appropriate to modify the page limitations set forth in this Court's Standing Order and the Civil Local Rules.

STIPULATION

NOW, THEREFORE, the undersigned parties stipulate, subject to Court approval, as follows:

1. Defendant HP's memorandum in support of its anticipated Motion to Dismiss shall not exceed 35 pages in length.
2. Lead Plaintiff's anticipated memorandum in opposition to HP's Motion to Dismiss shall not exceed 35 in length.
